Dear Parents,

We are ready to begin registration for English Rose Summer Camp 2019! We are looking forward this year to a new camp adventure. You can sign up for as little as a week or as much as the whole summer. You can also pick your days from 1-5 – whatever works for your schedule.

Campers will also engage in water play during our warm summer days. Our game room will be back again for campers to enjoy all sorts of fun games and activities both inside and out! We will be undertaking many fun crafts and activities as they relate to our weekly themes. We will also offer our cooking and science room. At the end of our summer program we will be hosting our “end of camp performance for parents and family members”, as well as our penny carnival designed by our campers. Our School Age campers will also go on field trips to various places. (more information will follow) We will also have some special in house events for our campers of all ages. These will include 2 separate weeks for our waterslide, Mad Science, Macaroni the Clown, some special animal visitors and more.

Details on dates for trips and in-house visitors will follow as we get closer to the summer.

We will also have the opportunity for campers to purchase a special lunch each Friday of camp – pizza, hamburgers & hotdogs, Chinese food etc. – details to follow

We also plan on continuing to have the Tumble Bus come each week, if you wish to register your child whilst they attend camp with us – details to follow
